**REVIEW APRIL BOARD MEETING DRAFT AGENDA:**

Executive Director Scatizzi presented the draft agenda for the April 28, 2022, Board meeting, which had been distributed prior to the meeting. Chair Carter requested comments on the draft agenda. The Executive Committee had no comments.

**NEW BUSINESS:**

Executive Director Scatizzi reported to the Executive Committee that draft federal legislation contemplated using proposed SSBCI funds to cover a portion of additional COVID relief programs. Such draft legislation would reduce the \$10 billion SSBCI federal allocation by approximately \$2.3 billion, generally as a reduction in the third tranche of funding.

Executive Director Scatizzi reported that the Council of Development Finance Agencies (CDFA) requested that the MTC join as a signatory to a letter to the Treasury outlining the negative impact of the new legislation and presented recommendations as alternatives. Prior to the Executive Committee meeting, Chair Carter and Executive Director Scatizzi discussed MTC participation and determined that joining in submitting such letter aligned with the MTC's mission. Accordingly, Executive Director Scatizzi signed the letter on behalf of MTC.

**MEETING ADJOURNED:**

On a motion by Chair Carter, seconded by Mr. Cobb, the meeting adjourned at 4:48 p.m.
