

## How to create a new account in the MTC Grants Portal

We have transitioned from using Google Forms to a dedicated MTC Grants Portal through Good Grants. We recommend making one account for your organization or program for submitting applications. The MTC Grants Portal does not yet have the capability for multiple user accounts to collaborate on a single application submission. However, Good Grants is working to add that capability in the future.

### Step-by-Step Guide to Creating an Account

1. Open your web browser and go to <https://missouritechnology.grantplatform.com>
2. Enter the email you wish to start an account within the box under email and click continue. A verification code will be sent to your email.

The screenshot shows the Missouri Technology Corporation login/register page. On the left, there is a 'Log in or register' section with an 'Email' input field and a purple 'Continue' button. Below this is a 'Share' section with social media icons for Facebook, X, Pinterest, LinkedIn, and a share icon. On the right, there is a green box with the Missouri Technology Corporation logo and the text 'Missouri Technology Corporation Start here'. Below this, there are three numbered steps: 1. Register an account, 2. Start your application (save it in progress), and 3. Submit your application to be reviewed. At the bottom of the green box, it says 'Best of luck!' and 'For any questions, please contact [email](#)'.

3. Enter the 6-digit verification code that was sent to your email and click continue.

The screenshot shows the 'Security verification' page. It asks the user to 'Enter 6-digit code sent to snbakerphd@gmail.com'. Below this is a 6-digit input field with individual boxes for each digit. There is a 'Resend code' link below the input field. At the bottom, there are two buttons: a purple 'Continue' button and a 'Cancel' link.

4. Fill out the information on the Register form including entering your desired password and click "Complete Registration"
